Fees explained:

“Government funding is to deliver your 30 hours of childcare support. It does not cover additional hours, activities or extra costs, such as meals. Your provider should provide invoices and receipts that are clear, transparent and itemised to see you have received your child’s free entitlements and understand any fees for additional hours or services.

You may have to pay for, or provide your own:

- meals
- other consumables, like nappies
- additional hours
- additional services or activities

Wildwood Childcare Fees and Funding - April 2026

However, charges for consumables or additional hours should not be made a condition of accessing a free place.

You should not be charged:

- a top-up fee
- a non-refundable registration fee

You may wish to speak to your local authority or your provider about any additional charges on top of the funded childcare hours, including any alternative options they offer.”

All fees and charges will be reviewed in **April 2027**, or with a month's notice.
